

GCOE, Jammu organizing workshop on Teaching of Science and Mathematics.

A six day workshop for Secondary School Teachers of Jammu province under CSS, MHRD, Govt. of India started today at Govt. College of Education, Canal Road, Jammu. The inaugural ceremony of the workshop started with the traditional lighting of lamp. More than 40 Govt. teachers registered themselves for the workshop. The objective of the workshop is to enhance the teaching efficiency of their participant teachers in concerned subjects. The Chief guest for the occasion was Nodal Principal, Jammu Division Dr. Satinder Singh who highly appreciated the series of workshops successfully going on in the college and fulfilling the objective of enriching teaching skills. The guest of honour for the day was Dean Faculty of Education, Cluster University of Jammu Dr. Mushtaq Ahmad Lone. The benign presence of both the guests added beauty to the programme and their highly motivational words for the participants and the organizing team were really a contribution in maintaining the strength and zeal to carry out such activities which are now a days very helpful in updating the teachers working in different institutions of the Province.

The programme was anchored by Astd. Prof. Rubina Yasmeen who gracefully presented the sequence of all the events of the programme. The formal welcome and key note address including the aims and objectives of the workshop delivered by H.O.D Mathematics and Incharge Principal Prof. Anju Bala and in the end of the inaugural the vote of thanks was presented by Astd. Prof. Seema kumari. The whole organizing team comprising of Course Coordinator Dr. Jyoti Parihar and members Asstd. Prof. Ashu Jolly, Astd. Prof. Mandeep Singh were also present in the inaugural session along with all the college faculty. After that the 1st and 2nd technical session was taken by the coordinators of the workshop Prof. Anju Bala (Deptt. Of Mathematics), and Dr. Jyoti Parihar (Deptt. Of Science) respectively.
