College, Canal Road, Jammu, organized a massive donation drive at the RRR Centre in Ward No. 59, Paloura, Jammu. Students, teachers, and citizens enthusiastically contributed used clothes, toys, books, shoes and other essential items, exhibiting the spirit of community service and sustainability. Dr. Devanah Yadav, Commissioner, Jammu Municipal Corporation, graced the event and also donated used clothes & household items. Addressing the gathering, he emphasized the dual purpose of the initiative - 'The Kindness Exchange'. "It is not just about charity, it's about environmental stewardship and collective responsibility", he said. The Commissioner also said that every household has items that can find a new life with these in need. By donating these, we can prevent them from clogging drains, polluting water bodies or ending up in landfills. Dr. Yadav underscored the initiative as a collective endeavour, urging citizens from all walks of life to donate unused items including clothes, toys, shoes and books at the RRR Centres. Through 'The Kindness Exchange', JMC aims not only to reduce waste but also to ensure these resources reach those in need, giving them a second life," he asserted. He urged citizens, especially youth, to participate in 'The Kindness Exchange'. Shri Achok Singh Manhas, JMC Corporator, Paloura (Ward No. 59), praised the initiative and encouraged citizens to spread awareness about the initiative and encourage donations instead of discarding such items into drains, water bodies or open spaces. Present during the donation drive included Commissioner, Jammu Municipal Corporation, Dr. Devanah Yadav (IAS), Ex-Corporator, Ward No. 59, Paloura Jammu, Shri Achok Singh Manhas, Principal, Govt. College of Education, Canal Road, Jammu. Prof. Jyoti Parihar, Health Officer, JMC; Dr. Vinod Sharma, Dr. Priyanka, JAS, JMC; Mr. Sanjay Yyas, Project Head, Swaha, J&K HUDA EEC. GCOE Jammu Organizes Lecture-Cum-Awareness programme on Intellectual Property Rights under IIC Initiative

JAMMU EXPRESS NEWS
NEW DELHI, APR 25

The Government College of Education (GCOE), Jammu, under the aegis of the Institution's Innovation Council (IIC), organized an engaging lecture-cum-awareness programme on Intellectual Property Rights (IPR) aimed at enhancing students' understanding of the subject and encouraging a culture of innovation and creativity. The event was held in the college premises and was graced by the presence of Principal Dr. Jyoti Parihar, who was the Chief Guest on the occasion. In her address to the gathering, Dr. Parihar emphasized the growing relevance of IPR in the academic and professional landscape, especially in today's rapidly evolving innovation-driven world. She urged students to equip themselves with knowledge about IPR to safeguard their creative and intellectual outputs and to contribute responsibly to society's development. The resource person for the programme was Dr. Pooja, Associate Professor in the Department of Commerce at SPPND Government College, Samba. She delivered a comprehensive and thought-provoking lecture on various aspects of Intellectual Property Rights, including patents, copyrights,

trademarks, and geographical indications. She also highlighted real-life examples to illustrate how IPR affects both individual innovators and industries at large, making the session both informative and relatable for students. Ms. Sunanda Rani, the Convener of the IIC Cell at GCOE Jammu, formally welcomed the resource person and highlighted the objectives of the Institution's Innovation Council. She shed light on the various initiatives taken by the council to foster a spirit of innovation and entrepreneurship among students and faculty alike. The event also witnessed enthusiastic participation from the faculty members, including Dr. Shubhra Jamwal, Prof. Priyanka Mahajan, Prof. Chanchal Singh, and Prof. Kiran Thapa, who encouraged students to engage actively in the session. The lecture concluded with an interactive Q&A segment, where students posed relevant questions and received in-depth clarifications from the speaker. The programme ended on a formal note with a vote of thanks presented by Dr. Shubhra Jamwal, who appreciated the efforts of all involved in organizing the event and encouraged students to make the most of such knowledge-sharing platforms.
